

SUPER BOUNCY BALLS

Today's STEAM activity is Super Bouncy Balls! The link below will provide you with the recipe and instructions on how to create these fun DIY bouncy balls. Feel free to add food coloring to the solution to make a variety of colors. If you do not have liquid starch at home refer to the recipe below.

Homemade Liquid Starch: Mix together 2 ½ cups of tap water and 1 ½ tbsp cornstarch in a saucepan (make sure there are no lumps). Bring the mixture to a boil for 1 minute then cool to room temperature.
